Engraved Wooden Perpetual Desk Calendar – Be Present

LM-WDC-BEPRESENT

R379.00

A meaningful desk piece designed to bring a small daily reminder into your space. This engraved wooden perpetual desk calendar from Lakit Moments combines everyday function with inspirational wording, featuring the Be Present design and natural engraved finish. Crafted from wood and precision-engraved for a clean, lasting look, it is made to be used year after year. The reusable block system allows you to easily update the date and month, while the engraved message adds warmth and intention to desks, shelves, reception areas and home offices. Perfect for thoughtful gifting, workspace styling, home décor and daily inspiration. Features: • Reusable perpetual desk calendar • Be Present inspirational design • Natural wooden finish • Engraved number and month blocks • Durable and practical décor piece • Gift-ready packaging What’s in the box: • 1 x Wooden calendar stand • 2 x Number blocks • 3 x Month blocks • Gift-ready packaging Please note: Natural wood varies slightly in grain, colour and finish, making each calendar unique.
